

# EARTHLITE® EXTRA STRENGTH CBD MASSAGE OIL

Earthlite's Chief Product Alchemist packs Earthlite's Extra Strength CBD Massage Oil with 50mg per ounce of organic, full-spectrum CBD (up to 4x stronger than some other leading brands). Then she blends in a proprietary formulation of Arnica and Eucalyptus extracts to create one of the top performing professional CBD massage oils in the market today. The USDA certified organic CBD is extracted using a proprietary, solvent free process and is independently tested for purity and concentration. The Earthlite CBD massage oil is perfect for a variety of therapeutic massage modalities. It can also be used regularly after a bath or shower.

- **Highest Quality, Full-spectrum CBD**  
Organic Hemp derived and extracted using a proprietary solvent free, CO2 extraction method. Non-psychoactive (<.03% THC).
- **Extra Strength Formula**  
50mg/oz for maximum effectiveness. 400mg per 8oz bottle or 4x the CBD concentration of several other leading brands.
- **99% Organic Formula**  
All ingredients (ex. Arnica) are USDA certified organic and from small batch blends.
- **Arnica and Eucalyptus Infused**  
For added effectiveness.
- **Independently Certified**  
Tested and certified by an outside laboratory for purity and concentration.
- **CBD Effectiveness**  
CBD has not yet been evaluated by the FDA for medical efficacy. Therefore, we are prohibited from making any medicinal claims at this time.
- **Formulated by Earthlite**  
A leading provider of massage therapy products since 1987.

## About our Master Product Alchemist

Tara Grodjek, a Master Bodyworker, Aromatherapist and Certified Ayurvedic Practitioner, has been formulating premium massage and aromatherapy products under her own name for more than 25 years. An industry visionary, Tara maintains the highest standards of product integrity when it comes to her formulations. She is committed to pure ingredients, therapeutic efficacy and sustainable manufacturing. Tara is a frequent keynote speaker on sustainability, holistic treatment modalities, and women's leadership. Tara joins Earthlite as its first female executive and owner, and will lead the Company's efforts in Sustainability and Wellness.

## Available in 1oz case pack and 8oz sizes

1 oz treatment size provides precise dose control and effective inventory management in commercial spas, while 8 oz offers better value.
