CA-30

Protect the smooth surface of your Custom Craftworks table by wrapping it in our Carry Case. Built tough with a reinforced bottom, the case zips open on three sides for easy loading, and carries comfortably thanks to a padded shoulder strap and a front handle for balance. Three pockets, including one large enough for a full 8" round bolster and another sized for lotions and oils give you more than enough room to bring everything you need. Great replacement case if you are ready for an upgrade!
