

## **ScripHessco Trade-Up Program**

ScripHessco agrees to take on trade the following tables with the associated values. The value will be used as a credit against the purchase of a new Lloyd table. Customer agrees that if the table is not depicted properly as to condition, options etc. then this could affect the value of the trade-in. Multiple trade-in tables may not be used toward 1 new table unless otherwise agreed upon by both parties.

The customer will be responsible for the shipping cost of the new table to their office and ScripHessco will accept responsibility for the shipping cost of the trade-in table back to ScripHessco.

### **Trade-in Values**

Elite Pump Elevation E3 3 Drop Table	\$500
Ergo Basic Stationary table with Pelvic Drop	\$400
MT Tables Model 150 Drop Bench	TBD
Other models will be evaluated on an individual basis
